Blue Angels Security Force is a privately owned and operated armed security & patrol services provider, licensed & bonded in the State of New York.

Our team is comprised of professionals with current and prior law enforcement membership, each with extensive experience and background serving within the City of New York.

We've "walked the walk & talked the talk in the City that never sleeps". We're not novices with gun licenses.

Our street knowledge, investigative background skills, and supervisory capabilities afford us the knowledge necessary to professionally and effectively engage with people of diverse backgrounds and social circumstances. From non-violent situations to violent confrontations, we're able to assist and deescalate as needed, without ever compromising safety.

We customize our strategies and tactics to fit each of our clients' unique security needs.

OUR PERSONNEL HAVE...

- **Walked/patrolled the hostile streets & have demonstrated their abilities to handle crises under pressure.**
- **Conducted real law enforcement work, from drugs & firearms dealings to homicide investigations.**
- **Served in the capacities of supervisors in those roles.**
- **Frontline experience managing criminal investigations within the various communities of New York City, and throughout Nassau and Suffolk Counties.**
